

## The Complete Beginners Guide To Scoring

This is the diamond:

When a runner advances to first put a line here:

When a runner advances to 2<sup>nd</sup> put a line here:

When a runner advances to 3<sup>rd</sup> put a line here:

When the runner gets home fill in the diamond:

When the first person is out put a 1 in the centre of the diamond:

When the 2<sup>nd</sup> person gets out put a 2 in the centre of the diamond:

When the 3<sup>rd</sup> person gets out put a 3 in the centre of the diamond:

When the 3<sup>rd</sup> out is made put two diagonal lines through the rectangle at the bottom of the box. This is end of inning:

This runner reached 1<sup>st</sup> safely but was out before getting to 2<sup>nd</sup>. They were the first out.

This runner reached 3<sup>rd</sup> safely but was out before getting home. They were the second out of the inning:

This runner reached 2<sup>nd</sup> safely but was out before reaching 3<sup>rd</sup>. They were the third and last out of the inning.

The first batter was out without making any bases.

The second batter hit a home run

The third batter made it to 3<sup>rd</sup> base

The fourth batter was out trying to get to 2<sup>nd</sup>.

The fifth batter made it to 1<sup>st</sup>

The sixth batter was caught without making a base and was the 3<sup>rd</sup> out. Innings over.

In the second innings, the seventh batter made it home.

The eighth batter also made it home.

The ninth batter struck out. They are the first out.

The first batter was out going to 2<sup>nd</sup>. They are the second out.

The second batter made it home.

The third batter made it safely to 3<sup>rd</sup>.

The fourth batter was out going to 1<sup>st</sup>. They are the third out. Innings over.

	2nd		2nd		2nd		2nd		2nd	
	3rd	1st								
	Home		Home		Home		Home		Home	
Runs	5	5	10	15	3	18				
Total										

At the bottom of every column is a box cut with a diagonal line.

The top box is for the runs scored **this innings**.

The bottom box is for the **total** runs in the game.

In the above game of 3 innings:

- ◆ In the first innings the batting team scored 5 runs. Score as **5 / 5**.
- ◆ In the second innings the batting team scored 10 runs. Score as **10 / 15**
- ◆ In the third innings the batting team scored 3 runs. Score as **3 / 18**.

The final total for this team is **18** runs.

**Remember: once the score card is signed the score will stand!**
